Diwrnod Radiograffeg y Byd / World Radiography Day

Rwy'n siŵr eich bod i gyd yn gwybod ein bod yn dathlu Diwrnod Radiograffeg y Byd ar 8fed Tachwedd bob blwyddyn, i nodi darganfod pelydr-x yn 1895. Y nod yw cynyddu ymwybyddiaeth y cyhoedd o radiograffeg fel gyrfa, fel cyfraniad holl bwysig i ofal iechyd modern ac mae hefyd yn gyfle i gynyddu ymwybyddiaeth y cyhoedd o therapi delweddu a phelydredd diagnostig.

I nodi'r achlysur eleni, fe wnaeth y Rhaglen Delweddu Genedlaethol:

- Anfon danteithion at bob Bwrdd Iechyd ac Ymddiriedolaeth i ddathlu gwaith ein Hadrannau Radioleg gwych – gobeithio ichi gael cyfle i flasu rhai o'r brownis blasus!
- Gymryd drosodd gyfrif Twitter @CydGIGCymru, a thrydar ffeithiau a ffigyrau, gan dynnu sylw at lwybrau at yrfa mewn Radiograffeg yng Nghymru a chyfeirio ymlaen at gyfrifon defnyddiol eraill

Rydyn ni hefyd wedi trafod hyn mewn rhai cyfarfodydd allweddol o'r Grŵp Delweddu ac mae gennym gynlluniau cyffrous i gydweithredu â sefydliadau eraill i wneud hwn yn ddathliad mwy fyth y flwyddyn nesaf!

As I'm sure you are all aware, World Radiography Day is celebrated on 8th November each year, marking the discovery of x-radiation in 1895. The aim is to raise public awareness of radiography as a career, as a vital contribution to modern healthcare and also provides an opportunity to increase public awareness of diagnostic imaging and radiation therapy.

To mark the occasion this year, the National Imaging Programme:

- Sent treats to all Health Boards and Trusts to celebrate the work of our wonderful Radiology Departments – we hope you had opportunity to sample some delicious brownies!
- Took over the @NHSWalesCollab Twitter account, tweeting facts and figures, highlighting routes to a career in Radiography in Wales and signposting other useful accounts.

We have also discussed this at some key Imaging Group meetings and have some exciting plans to collaborate with other organisations to make this an even bigger celebration next year!

Ymweliadau Ymgysylltu'r Rhaglen Delweddu Genedlaethol / National Imaging Programme Engagement Visits

Hoffai'r tîm ddiolch o galon i Fwrdd Iechyd Prifysgol Bae Abertawe a Bwrdd Iechyd Prifysgol Hywel Dda a gynhaliodd y cyntaf o'n hymweliadau ymgysylltu yn Chwarter 3.

Fe wnaethom ymweld ag Ysbyty Treforys yn Abertawe ar 5ed Hydref ac Ysbyty Bronglais yn Aberystwyth ar 8fed Rhagfyr. Roedd hi'n braf cael cwrdd wyneb yn wyneb a dal fyny! Cawsom hefyd ein tywys o amgylch yr Adrannau Radioleg, a fu'n gyfle dysgu gwerthfawr iawn i'r rhai yn y tîm nad oes ganddynt gefndir delweddu clinigol.

Mae ymgysylltu yn ehangach yn rhan fawr o'n Cynllun Gweithredu Cyfathrebu ar gyfer 2022-23, ac edrychwn ymlaen i ymweld â mwy ohonoch yn y misoedd nesaf!

The team would like to say a big thank you to Swansea Bay University Health Board and Hywel Dda University Health Board who hosted the first of our engagement visits in Quarter 3.

We visited Morriston Hospital in Swansea on 5th October and Bronglais Hospital in Aberystwyth on 8th December. It was great to meet in person and catch up! We were also given a tour of the Radiology Departments, a valuable learning opportunity for those in the team who don't have a clinical imaging background.

Wider engagement is a big part of our 2022-23 Communications Action Plan, and we look forward to visiting more of you in the coming months!

Programme now has a logo! In fact, we hope you have noticed a general increase the programme's Communications and Engagement activity – the team has been working hard to increase the visibility and profile of the programme as we transition from the Collaborative to the new NHS Wales NHS Executive governance structure.

- **We have been busy with recruitment, with 4 posts currently in offer stage! A highlight of Quarter 4 will be the team doubling in size, and we look forward to introducing some of our new starters in the next edition!**

- **The team are very grateful to the Health Boards and Trusts who have already hosted an engagement visit or invited us to give a virtual introductory presentation. We are looking to secure dates to visit every Health Board/Trust by the end of March 2023.**

Finally, may we take this opportunity to wish you all a very Merry Christmas and a Happy and Healthy New Year! We hope you manage to get some rest and spend time with family and friends over the festive period.
