Cylchlythyr y Rhaglen Delweddu Genedlaethol Ch4 2023-24

Croeso i wythfed rhifyn Cylchlythyr y Rhaglen Delweddu Genedlaethol!

Ers rhifyn mis Rhagfyr y Cylchlythyr, cafodd cyfarfod cyntaf Grŵp Strategaeth y Rhaglen Delweddu Genedlaethol (NISPG) ei gynnal ar 23 Ionawr yn dilyn cau Bwrdd Strategaeth y Rhaglen Delweddu Genedlaethol (NIPSB) yn ffurfiol. Mae Cylch Gwaith y Grŵp newydd hwn wedi'i gadarnhau'n ffurfiol a, gyda chymorth y Cadeirydd newydd, Arweinydd Clinigol y Rhaglen Delweddu Genedlaethol, Dr Kakali Mitra, mae gwaith wedi mynd yn ei flaen yn dda i wella'r ymgysylltu â chlinigwyr yn genedlaethol.

Mae'r rhaglen ar y trywydd iawn i gyflawni'r rhan fwyaf o amcanion yng nghynllun gwaith 23/24 ac mae'r tîm wrthi'n cwblhau'r cynllun gwaith ar gyfer y flwyddyn nesaf a bydd mwy o fanylion i ddod yn y cylchlythyr nesaf.

Gobeithio y gwnewch chi fwynhau ein cylchlythyr olaf ar gyfer 2023-24! Os hoffech gael eich ychwanegu at y rhestr ddosbarthu, neu os oes gennych chi ymholiadau cyffredinol, anfonwch e-bost at NHSWHC.National.Imaging.Programme@wales.nhs.uk

National Imaging Programme Newsletter Q4 2023-24

Welcome to the eighth edition of the National Imaging Programme Newsletter!

Since December's edition of the Newsletter, the inaugural meeting of the National Imaging Programme Strategy Group (NISPG) was held on 23rd January following the formal closure of the National Imaging Programme Strategy Board (NIPSB). The Terms of Reference of this new Group have been formally ratified and, with the help of the new Chair, NIP Clinical Lead Dr Kakali Mitra, work has progressed well to improve the engagement with clinicians nationally.

The programme is on target to complete most objectives within 23/24 workplan and the team are currently finalising the workplan for next year with more details to come in the next newsletter.

We hope you enjoy our final newsletter of 2023-24! If you would like to be added to the circulation list, or have general enquiries, please email NHSWHC.National.Imaging.Programme@wales.nhs.uk

Cyflawniadau Allweddol Ch4 2023/24

PROSIECT OFFER DELWEDDU CENEDLAETHOL A BLAENORIAETHAU CYFALAF (NIECP):

- Mae pob cam dilynol yn sgil y Panel Adolygu ffurfiol cyntaf ym mis Medi 2023 wedi'u cwblhau.
- Mae'r Cylch Gwaith ar gyfer Panel Adolygu NIECP wedi'i ddiwygio a bydd y fersiwn wedi'i diweddaru yn cael ei chyflwyno i'r cyfarfod panel ffurfiol nesaf i'w gymeradwyo.
- Fel y cafodd ei awgrymu yn y rhifyn diwethaf, defnyddiwyd y rhestr o argymhellion wedi'u blaenoriaethu ar gyfer amnewid offer delweddu cyfalaf a ddatblygwyd yn y cyfarfod panel ffurfiol cyntaf i ddyrannu cyfran % delweddu o gyllid cyfalaf a gafodd ei ryddhau cyn y Nadolig – mwy o fanylion am hyn, gan gynnwys yn yr adroddiad isod.
- Trafodaethau parhaus ynghylch dyblygu'r broses hon ledled rhaglenni diagnostig eraill. Cynhaliwyd cyfarfod cychwynnol gyda chydweithwyr yn y Rhaglen Patholeg Genedlaethol ddiwedd mis Ionawr.
- Dechreuodd ail iteriad y broses i baratoi ar gyfer cyfarfod nesaf y Panel Adolygu ffurfiol ar 16 Ebrill – mae pob Bwrdd Iechyd ac Ymddiriedolaeth wedi cymryd rhan yn y camau cychwynnol.

PROSIECT GWYBODAETH BUSNES SYSTEM GWYBODEG RADIOLEG:

- Cafodd metrigau Sefyllfa, Cefndir, Asesiad, Argymhelliad a pherfformiad drafft eu cyflwyno i aelodau'r Grŵp Strategaeth Rhaglen Delweddu Genedlaethol (NIPSG) yng nghyfarfod mis Chwefror – mae'r dogfennau'n amlinellu'r gofynion Gwybodaeth Busnes o ran adroddiadau cenedlaethol safonol a'r manteision i'r Rhaglen Delweddu

Q4 2023/24 Key Achievements

NATIONAL IMAGING EQUIPMENT AND CAPITAL PRIORITIES PROJECT (NIECP):

- All follow up actions following the first formal Review Panel in September 2023 have been completed.
- Terms of Reference for the NIECP Review Panel have been revised and the updated version will be taken to the next formal panel meeting for approval.
- As highlighted in the last edition, the prioritised list of recommendations for capital replacement of imaging equipment developed at the first formal panel meeting was used to allocate the imaging % share of capital funding released before Christmas – more detail on this included in the feature below.
- Ongoing discussions regarding replication this process across other diagnostic programmes. Initial meeting with colleagues in the National Pathology Programme was held at the end of January.
- Second iteration of the process commenced in preparation for the next formal Review Panel meeting on 16th April – all Health Boards and Trusts have engaged in the initial stages.

RADIOLOGY INFORMATICS SYSTEM PROCUREMENT (RISP) BUSINESS INTELLIGENCE (BI) PROJECT:

- SBAR and draft performance metrics presented to National Imaging Programme Strategy Group (NIPSG) members at the February meeting – the documents outline the Business Intelligence requirements in relation to standardised national reporting and the benefits to both the National Imaging

Genedlaethol a'r gwasanaeth.

- Bydd cydweithwyr clinigol a rhanddeiliaid allweddol eraill yn cael cyfle arall i wneud sylwadau yn dilyn cyfarfod NIPSG ym mis Mawrth, yna bydd yr wybodaeth yn cael ei throsglwyddo i'r Rhaglen Caffael System Gwybodeg Radioleg (RISP), i gysylltu â'r cyflenwyr o ran cyfannu'r agweddau Gwybodaeth Busnes.

Hwyl Fawr i Clarissa Wong! / Fairwell to Clarissa Wong!

Bydd un o'n Huwch Swyddogion Cymorth Prosiect gwych - Clarissa Wong – yn gadael y Rhaglen Delweddu Genedlaethol i fynd i swydd newydd ddiwedd mis Mawrth.

Mae Clarissa wedi bod gyda ni am ychydig dros flwyddyn ac mae hi wedi cael effaith gadarnhaol iawn ar yr holl gyfarfodydd a phrosiectau y mae hi wedi'u cefnogi yn ystod y cyfnod hwnnw. Rydyn ni'n dymuno'r gorau iddi hi gyda'i thîm newydd ac yn gwybod y bydd hi'n parhau i ragori yn ei rôl newydd gydag Iechyd a Gofal Digidol

One of our fantastic Senior Project Support Officers – Clarissa Wong – will be leaving the National Imaging Programme for pastures new at the end of March.

Clarissa has been with us for just over a year and has made a hugely positive impact on all the meetings and projects she has supported during that time. We wish her the very best with her new team and know she will continue to excel in her new role with Digital Health and Care Wales (DHCW).

Cymru (DHCW).

Hoffai tîm y Rhaglen Delweddu Genedlaethol fanteisio ar y cyfle hwn i ddiolch i Clarissa am ei holl waith caled dros gyfnod prysur iawn i ni. Pob lwc yn dy rôl yn y dyfodol Clarissa, byddwn ni'n gweld dy eisiau di!

The NIP team would like to take this opportunity to thank Clarissa for all her hard work over what has been a very busy time for us. Good luck in your future role Clarissa, you will be missed!

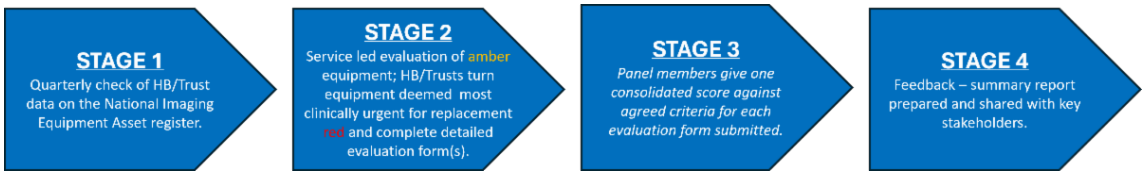
Cwblhau Prosiect NIECP! / NIECP Project Completion!

Rydym yn falch o gadarnhau bod y prosiect Delweddu ac Offer a Blaenoriaethau Cyfalaf Cenedlaethol (NIECP) yn cael eu gweithredu'n llwyddiannus!

Diben a gweledigaeth Prosiect NIECP yw cefnogi datblygu rhaglen amnewid cyfalaf cynaliadwy wedi'i blaenoriaethu, a chydlynu dull gweithredu cymeradwy o nodi, gwerthuso a mabwysiadu technolegau delweddu newydd. Mae'r prosiect, o dan arweiniad Uwch Reolwr Prosiect Rhaglen Delweddu Genedlaethol, Rachel Howells, yn dibynnu ar randdeiliaid allweddol yn gweithio gyda'i gilydd drwy broses pedwar cam bob dwy flynedd i gynhyrchu a chynnal rhestr flaenoriaeth o offer ar gyfer amnewid cyfalaf.

We are Proud to Confirm Successful Implementation of the National Imaging and Equipment and Capital Priorities (NIECP) Project!

The purpose and vision of the NIECP Project is to support the development of a prioritised, sustainable capital replacement programme, and co-ordinate an approved approach to identifying, evaluating, and adopting new imaging technologies. The project, led by NIP Senior Project Manager Rachel Howells, relies on key stakeholders working together through a four-stage process bi-annually to produce and maintain a prioritised list of equipment for capital replacement.



Mae pob Bwrdd Iechyd ac Ymddiriedolaeth yng Nghymru wedi cymryd rhan yn y prosiect ac erbyn hyn mae swyddogaeth adolygu sefydledig i weithredu'r dull cymeradwy ar gyfer gwerthuso offer delweddu sy'n agosáu at ddiwedd ei oes neu yr ystyrir ei bod yn frys clinigol ei newid a gwneud argymhellion â blaenoriaeth i lywio penderfyniadau ar ddyrannu adnoddau cyfalaf cyfyngedig. Bydd hyn yn helpu i sicrhau bod argymhellion yn cael eu gwneud ar sail glinigol wedi'u hadolygu gan gymheiriaid, lle mae offer yn cael ei gaffael mewn modd amserol i ddarparu'r lefel briodol o ddelweddu clinigol i gefnogi gofynion gofal iechyd poblogaeth Cymru.

Mae'n bleser gennym gadarnhau bod y rhestr a gafodd ei chynhyrchu yng nghyfarfod ffurfiol cyntaf Panel Adolygu NIECP ym mis Medi 2023 wedi cael ei defnyddio i gefnogi ceisiadau Delweddu am

All Health Boards and Trusts in Wales have engaged in the project and there is now a fully established review function to execute the approved approach for evaluating imaging equipment approaching end of life or deemed clinically urgent for replacement and make prioritised recommendations to inform decisions on the allocation of finite capital resources. This will help ensure recommendations are made on a peer reviewed clinical basis, where equipment is procured in a timely manner to deliver the appropriate level of clinical imaging to support the healthcare demands of the population of Wales.

We are delighted to confirm that the list produced at the first formal NIECP Review Panel meeting in September 2023 was used to support Imaging bids for funds from the Welsh Government Capital Funding for Diagnostics. The second iteration of the

arian gan Gyllid Cyfalaf ar gyfer Diagnosteg Llywodraeth Cymru. Mae ail iteriad y broses ar y gweill erbyn hyn, a bydd y rhestr o flaenoriaethau'n cael ei hadnewyddu yng nghyfarfod ffurfiol nesaf Panel Adolygu NIECP ar 16 Ebrill 2024.

Dywedodd Andrew Ward, Rheolwr Rhaglen Genedlaethol - Offer Diagnosteg a Therapïau Arbenigol ym Mhartneriaeth Cydwasanaethau GIG Cymru (NWSSP), sydd wedi bod yn aelod hanfodol o dîm y prosiect o'r cychwyn:

"*Mae'r offer clinigol a brynwyd o ganlyniad i'r broses a'r mewnbwn gan gydweithwyr a'u dull cyfunol o ymdrin â chynlluniau wedi'u hadolygu gan gymheiriaid ledled Cymru wedi arwain at fuddsoddiad sylweddol wedi'i dargedu yn y dulliau hŷn, sydd wedi mynd yn angof, yn aml. Bydd gan hyn fanteision pellgyrhaeddol, yn anad dim, gallu'r systemau newydd hyn i gysylltu'n ddi-dor â systemau TG Delweddu. Rydyn ni eisoes wedi cael trafodaethau gyda chydweithwyr o ddisgyblaethau clinigol eraill am y dull gweithredu a sut y gallant fanteisio ar y data sydd eisoes ganddynt mewn ffordd anstrwythuredig i'w wneud yn rhywbeth a all fod o fudd i bawb*."

Os hoffech chi fwy o wybodaeth, anfonwch e-bost at Rachel.Howells6@wales.nhs.uk.

process is now well underway, and the prioritised list will be refreshed at the next formal NIECP Review Panel meeting on 16th April 2024.

Andrew Ward, National Programme Manager - Specialist Diagnostic and Therapies Equipment in NHS Wales Shared Services Partnership (NWSSP), who has been a crucial member of the project team from commencement stated:

"*The clinical equipment purchased as a result of the process and input from colleagues and their collective approach to peer reviewed schemes across Wales has resulted in a significant and targeted investment in the older, often forgotten modalities. This will have far reaching benefits not least of which will be the ability of these new systems to connect seamlessly to the Imaging IT systems. We have already had discussions with colleagues from other clinical disciplines about the approach and how they can leverage the data they currently have hold in an unstructured way into something which can be of benefit to all*."
