Rydyn ni wedi dal i wneud cynnydd da yn ffrydiau gwaith ein rhaglen, a chafwyd datblygiadau cyffrous iawn yn Rhaglen Trawsnewid y Gweithlu Delweddu ac Addysg a'r Prosiect Offer Delweddu a Blaenoriaethau Cyfalaf Cenedlaethol – fel y gwelir isod.

Gobeithio gewch chi flas ar ein cylchlythyr olaf yn 2022-23! Os hoffech chi gael eich ychwanegu i'r rhestr ddosbarthu, neu os oes gennych ymholiadau cyffredinol, anfonwch e-bost ar NHSWHC.National.Imaging.Programme@wales.nhs.uk

National Imaging Programme Newsletter - Quarter 4

Welcome to fourth edition of the National Imaging Programme Newsletter!

The final quarter of 2022-23 has been a very busy few months for the team! We have welcomed 4 new team members (doubling in size!), completed our series of engagement visits, manoeuvred our way through a bumper calendar of meetings and events, and are currently gearing ourselves up to become part of the NHS Executive from 1st April 2023!

We have continued to make lots of progress in our programme workstreams, with some really exciting developments in the Imaging Workforce and Education Transformation Programme and National Imaging Equipment and Capital Priorities Project – highlighted below.

We hope you enjoy our final newsletter of 2022-23! If you would like to be added to the circulation list, or have general enquiries, please email NHSWHC.National.Imaging.Programme@wales.nhs.uk

Cyflawniadau Allweddol Ch4

- Mae gwaith yn mynd rhagddo ar hyn o bryd i baratoi ar gyfer lansiad swyddogol *'Creu Model Gweithlu Delweddu GIG Cymru. Strategaeth ar gyfer Datblygu Model i'r Gweithlu Radioleg yng Nghymru'*. Bydd Tîm y Rhaglen yn cyflwyno'r Strategaeth yn nigwyddiad Gweithlu Diagnostig AaGIC ar 29ain Mawrth 2023, a chaiff ei dosbarthu'n eang wedi hynny. Bydd y Strategaeth ar gael ar ein gwefan o ddechrau Ebrill ymlaen. Byddwn hefyd yn rhoi sylw arbennig i'r Strategaeth yn ein cylchlythyr nesaf.

- Mae Cynllun cynhwysfawr wedi cael ei ddatblygu ar gyfer y Rhaglen er mwyn gweithredu'r argymhellion yn y 'Strategaeth ar gyfer Datblygu Model i'r Gweithlu Radioleg yng Nghymru'. Mae'r Grŵp Trawsnewid y Gweithlu Delweddu ac Addysg (IWETG) yn cael ei sefydlu i oruchwylio'r trefniadau ar gyfer rheoli a gweithredu'r cynllun hwn. Cytunwyd ar Gylch Gorchwyl ac aelodaeth y grŵp hwn a threfnwyd y cyfarfod cyntaf ar gyfer dechrau'r chwarter nesaf.

- Mae'r prosiect cyntaf yn y cynllun gwaith hwn wedi'i sefydlu, gyda'r ffocws ar sut allwn ni ddatblygu'r Gweithlu Cefnogi Delweddu Diagnostig. Cynhaliwyd gweithdy cwmpasu cychwynnol gyda rhanddeiliaid o Fyrddau Iechyd GIG Cymru, Bron Brawf Cymru, AaGIC a Chymdeithas y Radiograffwyr ar 28ain Chwefror 2023.

- Cynhaliwyd Adolygiad Codio ESR ar gyfer y gweithlu Delweddu Diagnostig gyda Phenaethiaid Proffesiynol Radiograffeg ar 15fed Chwefror 2023. Mae dogfen ganllaw ddiwygiedig wrthi'n cael ei datblygu gyda Thîm

Q4 Key Achievements

- Work is currently underway to prepare for the official launch of '*Building the NHS Wales Imaging Workforce Model. Strategy for Developing a Radiology Workforce Model for Wales'*. The Programme Team will be presenting the Stategy at the HEIW Diagnostic Workforce event on 29th March 2023, with widespread distribution to follow. The Strategy will be available on our website from early April. There will also be a special feature on the Stategy within our next newsletter.

- A comprehensive Programme Plan has been developed to take forward the recommendations within the 'Strategy for Developing a Radiology Workforce Model for Wales'. The Imaging Workforce and Education Transformation Group (IWETG) is being established to oversee the management and execution of this plan. Terms of Reference and membership of this group has been agreed with the first meeting scheduled for early next quarter.

- The first project within this workplan has been established, looking at how we can develop the Diagnostic Imaging Support Workforce. An initial scoping workshop with stakeholders from NHS Wales Health Boards, Breast Test Wales, HEIW and the Society of Radiographers was held on 28th February 2023.

- ESR Coding Review for Diagnostic Imaging workforce took place with Radiography Professional Heads on 15th February 2023. A revised guidance document is currently being developed with the ESR Coding Review Project Team. The aim of this work will be to ensure that all new and existing Imaging

Diwrnod Radiograffeg y Byd / Welcome to the Team

Ymunodd Emily â'r Rhaglen Delweddu Genedlaethol fel Uwch Reolwr Prosiectau ym mis Ionawr 2023, yn cefnogi'r Ffrwd Waith Ansawdd, Diogelwch a Phrofiad Defnyddwyr Gwasanaethau yn bennaf. Mae Emily wedi gweithio yn GIG Cymru ers dros chwe mlynedd mewn amrywiol Brosiectau a Rhaglenni, gan gynnwys fel Rheolwr Prosiectau ar y Rhaglen RISP am ddwy flynedd, a bu'n rhan o'r gwaith o sefydlu'r Academi Ddelweddu Genedlaethol ym Mhencoed. Mae

Ymunodd Clarissa â thîm y Rhaglen Delweddu Genedlaethol fel Uwch Swyddog Cefnogi Prosiectau ym mis Ionawr 2023. Bydd yn rhoi cefnogaeth ar gyfer cyflwyno prosiectau/ rhaglenni sy'n gysylltiedig â'r ffrydiau gwaith Cynllunio Adnoddau Strategol a Gweithlu ac Addysg. Cyn hyn, bu'n gweithio mewn swydd debyg yn Iechyd Cyhoeddus Cymru ar ôl iddi symud i'r Deyrnas Unedig ym mis Gorffennaf 2022. Dechreuodd ei siwrnai yn y diwydiant gofal iechyd

ganddi gymwysterau PRINCE2 a PMQ y Gymdeithas Rheoli Prosiectau, ac mae'n mwynhau llywodraethu a rheoli risgiau. Mae Emily yn edrych ymlaen i weithio gyda'r tîm a dal i feithrin ei gwybodaeth a rhwydweithio ym maes delweddu a radioleg.

Emily joined the National Imaging Programme as a Senior Project Manager in January 2023, primarily supporting the Quality, Safety, and Service User Experience Workstream. Emily has worked within NHS Wales for over six years in various Projects and Programmes, including as a Project Manager on the RISP Programme for two years, and being involved in the establishment of the National Imaging Academy in Pencoed. She holds PRINCE2 and Association of Project Management PMQ qualifications, and enjoys risk management and governance. Emily is looking forward to working with the team and continuing to build on her knowledge and network within imaging and radiology.

dros ddegawd yn ôl. Yn ôl yn Hong Kong, bu Clarissa yn gweithio ochr yn ochr â thimau amlddisgyblaethol a gweithwyr meddygol proffesiynol mewn ysbyty preifat ar weinyddiaeth yr ysbyty ac amrywiol brosiectau ar draws yr ysbyty. Mae wrth ei bodd ei bod wedi dechrau pennod newydd yng Nghymru ac yn ddiolchgar ei bod yn gallu parhau â'i gyrfa yn y sector gofal iechyd yn ogystal â gwneud cyfraniad i GIG Cymru.

Clarissa joined the National Imaging Programme team as Senior Project Support Officer in January 2023. She will provide support to the delivery of projects/programmes relating to Workforce and Education and Strategic Resource Planning workstreams. Prior to this, she took up a similar position in Public Health Wales shortly after her relocation to the UK in July 2022. Her journey in healthcare industry started over a decade ago. Back in Hong Kong, Clarissa had been working alongside multidisciplinary teams and medical professionals at a private hospital on hospital administration and various hospital-wide projects. She is thrilled to have started a new chapter in Wales and grateful for being able to continue her career in healthcare sector as well as to make contributions to NHS Wales.

Ymunodd James (Jim) â'r Rhaglen Delweddu Genedlaethol fel Rheolwr Rhaglen ym mis Mawrth 2023, gan weithio ar ffrwd waith Ansawdd a Diogelwch Cleifion y Rhaglen Delweddu Genedlaethol. Mae gan

Ymunodd Lisa â'r Rhaglen Delweddu Genedlaethol fel Rheolwr Prosiectau ym mis Chwefror 2023, gan weithio'n bennaf ar brosiectau i gefnogi Gweithlu ac Addysg. Mae Lisa yn meddu ar bron 20 mlynedd

Jim bron 25 mlynedd o brofiad mewn gwasanaethau Radioleg, ar ôl gweithio'n glinigol fel Radiograffydd mewn Byrddau Iechyd ar draws De Cymru, gan ddatblygu i fod yn Uwch Radiograffydd Adrodd Ymarfer yn Aneurin Bevan a Bae Abertawe.
Cyn dechrau'r rôl hon, mae wedi gweithio ym maes rheoli fel radiograffydd arolygol ym Mwrdd Iechyd Prifysgol Cwm Taf ac fel Radiograffydd Arweiniol y Safle ym Mwrdd Iechyd Prifysgol Bae Abertawe.
Y tu allan i'r gwaith mae'n dad priod i ddau o blant, mae'n helpu i hyfforddi a rheoli tîm rygbi ei fab a hefyd yn helpu â gweithgareddau chwaraeon eraill; mae'n mwynhau cerddoriaeth ac yn ceisio mynd i gyngherddau a gwyliau bob cyfle mae'n gael.

James (Jim) joined the National Imaging Programme as a Programme Manager in March 2023, working on the National Imaging Programme Quality and Patient Safety workstream. Jim has nearly 25 years' experience within Radiology services, having worked clinically as a Radiographer in Health Boards across South Wales, progressing to an Advanced Practitioner Reporting Radiographer in Aneurin Bevan and Swansea Bay. Prior to commencing this role, he has worked within management as superintendent radiographer in Cwm Taf University Health Board and Site Lead Radiographer in Swansea Bay University Health Board.
Outside of work he is a married father of two children, he helps to coach and manage his son's rugby team as well as helping with other sport activities and enjoys music and tries to attend as many concerts and festivals as he can.

o brofiad clinigol rheng flaen ar ôl bod yn gweithio fel Radiograffydd Adrodd yng Nghaerdydd. Yn yr amser hwn, mae wedi rheoli amryfal brosiectau sy'n ymwneud â delweddu ar draws testunau megis strôc, gweinyddiaeth a gwasanaethau clercaidd, a gwella sgiliau Uwch Radiograffwyr a Radiograffwyr Maes Estynedig.
Meddai "Rwyf wrth fy modd fy mod wedi cael fy mhenodi i'r rôl hon, gan gyfuno fy angerdd dros reoli prosiectau gyda'r wybodaeth a'r sgiliau'r wyf wedi'u meithrin yn ystod fy ngyrfa glinigol. Mae'n amser cyffrous iawn i wasanaethau delweddu yng Nghymru, ac rwy'n edrych ymlaen i weithio ochr yn ochr â'm cydweithwyr ar draws Cymru i gyflawni'r weledigaeth ar gyfer gwasanaethau delweddu.

Lisa joined the National Imaging Programme as a Project Manager in February 2023, working primarily on projects to support Workforce and Education. Lisa has nearly 20 years frontline clinical experience having worked as a Reporting Radiographer based in Cardiff. During this time, she has managed multiple projects relating to imaging across topics such as stroke, administration and clerical services, and maximising the skills of Advanced and Extended Scope Radiographers. She says "I am delighted to have been appointed to this role, combining my passion for project management with the knowledge and skills I have achieved during my clinical career. It is a very exciting time for imaging services in Wales, and I am looking forward to working alongside colleagues across Wales to achieve the vision for imaging services.

Ymweliadau Ymgysylltu'r Rhaglen Delweddu Genedlaethol / National Imaging Programme Engagement Visits

Hoffai'r tîm ddiolch o galon i Ymddiriedolaeth GIG Prifysgol Felindre, BIP Cwm Taf Morgannwg, BIP Aneurin Bevan a PIB Caerdydd a'r Fro oll am ein croesawu ni yn Chwarter 4, gan ddirwyn i ben gyfres ymweliadau ymgysylltu 2022-23. Aethom i:

11eg Ionawr – Canolfan Ganser Felindre

26ain Ionawr – Ysbyty Brenhinol Morgannwg

16eg Chwefror – Ysbyty'r Drenewydd

20fed Chwefror – Ysbyty Athrofaol y Faenor

6ed a 7fed Mawrth – Ysbyty Glan Clwyd

27ain Mawrth – Ysbyty Athrofaol Cymru

Bu'r ymweliadau hyn yn gwbl gwerth chweil a gwerthfawr i'r tîm, a gyda lwc, fe fyddant o fudd i bawb. Roedd yn wirioneddol braf cyfarfod cynifer o'n rhanddeiliaid wyneb yn wyneb a chael sgwrs! Cawsom hefyd ein tywys o amgylch yr Adrannau Radioleg, gan roi i'r rhai yn y tîm nad oes ganddynt gefndir delweddu clinigol, gyfle gwerthfawr iawn i ddysgu. Rydyn ni'n

The team would like to say a huge thank you to Velindre University NHS Trust, Cwm Taf Morgannwg UHB, Powys Teaching HB, Aneurin Bevan UHB, Betsi Cadwaladr UHB and Cardiff and Vale UHB, who all hosted us Quarter 4, concluding our series of 2022-23 engagement visits. We went to:

11th January – Velindre Cancer Centre

26th January – Royal Glamorgan Hospital

16th February – Newtown Hospital

20th February – The Grange University Hospital

6th & 7th March – Glan Clwyd Hospital

27th March – University Hospital of Wales

These visits have been extremely worthwhile and valuable for the team, and we hope beneficial to all. It was really lovely to meet so many of our stakeholders in person and have a catch up! We were also given a tour of the Radiology Departments, a valuable learning opportunity for those in the team who don't have a clinical imaging background. We appreciate the time given out of the busy operational

gwerthfawrogi iddynt roi o'u hamser ar ddiwrnod gwaith prysur i'n helpu i gael dealltwriaeth o'r gwasanaeth, gan ein galluogi i gael blas ar sut mae'r adran yn rhedeg. Fe wnaethom hefyd drafod heriau penodol ym mhob sefydliad, clywsom am rai o'r cynlluniau lleol gwych…ac mae gennyn ni'n awr enwau cyswllt ardderchog i gydweithredu â nhw!

Yn ychwanegol at yr ymweliadau safle hyn, rydyn ni wedi ymuno â galwadau addysg neu gyd-archwiliadau'r Byrddau Iechyd a'r Ymddiriedolaeth i roi cyflwyniad i'r rhaglen ac i ymgysylltu â chydweithwyr Delweddu ehangach ar draws yr adran. Rydyn ni'n hapus i ddod i sgwrsio gyda chi, rhoi diweddariad ar ein rhaglen waith neu ddim ond i gael sgwrs gyffredinol ar unrhyw adeg!
